

SecMatch 2016

June 8 2016, Olympia, London, UK

SecMatch 2016 is a **free-to-attend** international B2B matchmaking event for Cyber Security firms taking place at InfoSec Europe Conference and Exhibition 2016 organized by [Be Wiser](http://www.be-wiser.eu) and [Enterprise Europe Network](http://www.enterprise-europe-network.com).

Focused on wireless and internet security, **SecMatch** aims to enable and facilitate SMEs, ICT clusters, academia and investors to engage with potential partners for internationalisation via research, technology or business cooperation. Participants will have the opportunity to meet potential partners for research, technology transfer, investment, sales and licencing, joint ventures, subcontracting, trade intermediation, suppliers etc.

How to participate?

1. Sign up and create an online profile: <https://www.b2match.eu/SecMatch2016>
2. Browse the participant list and book meetings with companies you are interested in
3. One week before the event you receive your meeting schedule

SecMatch is part of [Infosecurity Europe](http://www.infosec-europe.com), the largest and most attended information security event in Europe. With over 15,500 industry professionals travelling from over 70 countries, it is the most important date in the calendar for Information Security professionals across Europe.

Infosecurity Europe is the European marketplace for information security professionals to do business, learn about the latest news and innovations in the industry and meet with current and prospect clients or suppliers.
